About Us

Jamera Investments Furniture Workshop designs and builds custom furniture with quality craftsmanship and modern style. We turn ideas into beautiful, functional pieces for homes, hotels, and businesses — combining traditional woodworking with smart, efficient systems.

Mission:

To create high-quality, custom furniture solutions that add value to everyday living and support efficient business spaces.

Vision:

To be a trusted name in smart, sustainable furniture craftsmanship across Kenya and beyond.

**Crafting Unique And
Personalized Woodwork**

Behind the Craft

Behind every piece of furniture is a story — and behind that story is Peter, the hands and mind behind Jamera Furniture. With a passion for design, detail, and efficiency, he combines traditional craftsmanship with smart digital tools to create furniture and systems that work beautifully and practically.
